Tanzania's data economy is growing fast — but most professionals are navigating it alone. **DAMA Tanzania – Dar es Salaam** changes that. For the first time, data professionals have a ***recognised home to grow, connect, and lead*** — backed by DAMA International's global standards and built for Tanzania's specific data landscape.

WHY JOIN?

What membership does for your career

- 1 Be Known in the Right Rooms**
Get in front of Tanzania's data decision-makers. Build a reputation that travels beyond your organisation.
- 2 Step Into Leadership**
Lead working groups, speak at events, co-author research — the visibility LinkedIn can't give you.
- 3 Get Certified, Get Ahead**
CDMP study groups, DMBok workshops and a clear pathway to internationally recognised credentials.
- 4 Learn From Those Ahead of You**
Direct access to senior practitioners and mentors who've solved the problems you're facing now.
- 5 Stay Sharp in a Fast-Moving Field**
AI readiness, PDPA compliance, governance trends — curated for Tanzania's context.
- 6 Belong to Something Larger**
Part of a 70-country global network with the credibility of DAMA International behind your name.

WHO IS THIS FOR?

You'll find your people here if:

You're a data professional ready to grow and lead

Whether you're starting out or seasoned — DAMA gives you the platform, peers, and recognition to go further.

You're a DPO, AI specialist, or governance lead

PDPA and AI governance is hard to navigate alone. Here you'll find peers, frameworks, and influence over national standards.

You're a student who knows data is the future

Get certified, mentored, and connected before entering the market. The founding cohort is a rare door to walk through.
